Elba, Alabama

Vogel laid aside the documer om which he had been reading

prompted her to investigate. She was still some distance from the pine grove when another car had She was a quite imposing middle. was still some distance from the pine grove when another car had approached from behind her, and in order to avoid detection in the glare of its lights she had stepped aside into a clump of bushes. This second car had turned at the lane and had stopped, with its lights brilliantly illuminating the gate and the shrubbery on each side of it. Mrs. Holmes had recognized the driver, when he got out to open the gate, as Amos Ethridge.

Vogel paused and glanced at the reporters. They were frozen in various attitudes of attention, so he resumed his reading:

Was still some distance from the pine grow when had written about. She was a quite imposing middle-aged woman. Her hair no longer hung in greasy snarls, it was soft and clean and smoothly combed; her body had shape, and a good-looking street dress lent pleasing lines to it; there were silk hose and high-heeled shoes upon her feet. More astonishing than this, however, was the alternation in the woman herself. She entered the room with her head tup and with a poise, a carriage that only the stage can teach; in her bearing was a dignity that brought the reporters to their feet.

her bearing was a dignity that bas fresh corn for about 30 days in each year and after that brought the reporters to their feet brought the reporters to their feet and I was just about to call to him and ask him to wait a minute when I saw something such a constitute. Dollars do go farther in the Ford V-8. Modern improved carburetion gives you unusual gasoline mileage with brilliant V-8 performance. Most owners of today's Ford change oil only every 2000 miles and add none between changes.

And after the first few thousand miles you begin to understand what Ford V-8 "dollar mileage" really means.

low first cost, low up-keep cost, low depreciation and long life — as well as low gasoline and oil consumption. All these are big items if you aim to buy the most FORD MOTOR COMPANY
